Thank you for considering the Ronald Reagan HS Band Program as a candidate for your community based tax deductible giving. Your donation is an investment in our children's future.

While the students and band directors provide the talent, there is a great deal of volunteer time and financial resources needed as well. The RRHS Band Parents Association (BPA) is a non-profit 501(c)3 entity charged with providing additional revenue to develop a successful fine arts education for all students in the Band. Your tax deductible donation will allow for this program to continue to thrive, grow and prosper now and for years to come.

Benefits of Corporate Sponsorship:

- ♪ **Recognition at each monthly meeting of the Band Parents Association**
- ♪ **Ability to display brochures, business cards or offers at each monthly Band Parent Meeting**
- ♪ **Featured in a full year of Band Concert programs, Meeting Agendas & the Reagan High School All Sports program (full color, heat set printed program sold at all Varsity sports events)**
- ♪ **Highlighted on the Reagan Band Website (www.reaganband.com) with link to your company website**
- ♪ **Welcome to speak at one of the monthly Band Parents Meeting**
- ♪ **Provided with a letter of thanks and certificate suitable for framing**

Ronald Reagan High School is now in its eleventh year! We are especially proud of our band program and all of their accomplishments. In the fall of 2009, we advanced to finals for the Bands of America Super Regional marching competition, and this spring our Wind Symphony Concert Band advanced to State in the Honors Band competition.

Please consider showing your support for the RRHS Band Program via a tax-deductible donation.
