

District Uniform Maintenance Fee

A yearly fee for uniform maintenance is now in place for 2015-2016. A \$25.00 fee is necessary to supplement the expense of new uniforms, and maintain a rotation system for new uniforms every seven years. To extend the rotation of new uniforms to eight or more years and maintain the quality would be difficult. We are fortunate that the cleaning of the uniforms is still budgeted by the school district. This large sum of money is necessary for maintaining the life of the uniforms during their seven years of use.

Please return this form along with a check for \$25.00 made payable to RRHS.

Form and check should be placed in the BAND PARENT BOX no later than Friday, August 7, 2015.
