

On the Reagan Band website (reaganband.com) is the link to the annual band registration forms. Please use the checklist to make sure you are supplying all needed information. The board must go through all of this paperwork for over 300 students, and this will help make their job easier—thank you. These documents must be filled out, printed, signed in all the designated areas, and turned in on May 18 at the parent meeting scheduled for 5:45PM in the cafeteria. Forms A and C look similar but we need both—Form A stays on campus and Form C we carry with us when the band travels.

Please print each page separately totaling 7 pages with the checklist plus your medical insurance card (front and back) (do not double side the two forms that are two pages) and do not send the forms electronically.

UIL is now requiring marching band members to have a physical before 9th and 11th grade. Every year a Medical History Form is now required. **In the first year of the rule (2019-2020) all students are required to complete a physical examination and submit a Medical History Form.** The UIL Medical History Form must be signed by the student and a parent/guardian. The physical examination form must be signed by a medical professional. Both of these forms are together since everyone needs to submit both this year. The forms are due at fitting day on July 25.
